*Gandrung-gandrung kapingu  
mring kusuma Titisari  
linali saya ngalela  
ginagas saya ngranuhi  
tansah kumanthil ing netra  
tumanem ing sanubari*

Infatuated and love-sick  
for the beautiful Titisari,  
he wanders ever further, lost in his thoughts,  
he yearns ever more, lost in his imagination,  
his look revealing his constant devotion to her,  
planted deep in his heart.
